

HEV Fleet Testing Advanced Vehicle Testing Activities

2001 Honda Insight

VIN #
JHMZE14711T002487

*Less dependence
on Foreign oil,
and eventual
transition to an
emissions-free,
petroleum-free
vehicle*

Fleet Performance

Description:

This vehicle was operated out of the motor pool of the Grand Canyon Chapter of the American Red Cross. The majority of trips were for employee transportation in the Phoenix, Arizona metropolitan area using both surface streets and urban freeways. The vehicle was used infrequently for out of town travel, with typical travel distances of 100 to 300 round trip miles.
