Description of Vehicle Usage:
This vehicle is operated by various commercial vehicle fleets throughout the Southwestern United States covering a mixture of city and highway routes. This vehicle is operated five to seven days a week functioning as a typical vehicle in the overall fleet.

Monthly MPG = (miles driven)/(gallons of fuel purchased). Monthly variation in reported MPG may occur due to the difference in fuel tank level at the beginning and end of the month

1Purchase includes dealer price with options plus taxes. It does not include title, license, registration, extended warranty or delivery fee costs.
3Operating costs includes insurance, fuel, and registration costs
4Total ownership includes maintenance, operating, and capital depreciation
